

St. Paul's Lutheran School

Withdrawal of Permission to Video/Photo

Dear Parents:

During the school year, the students of St. Paul's Lutheran School are often involved in activities that require taking pictures and developing videos for public media (such as web design, videos, newspapers, television and marketing publications). Please indicate below if you do not wish to give permission for your child to be included. If you are not withdrawing permission you DO NOT have to RETURN this form.

You are giving permission for your child(ren) to be video taped, photographed or interviewed at any time during their enrollment at St. Paul's. If at any time you wish to withdraw that permission, you would need to do so in writing to the principal.

Please note that it is not possible for us to notify you prior to taking the picture, video, etc. However, if parental permission is not given, the photo, video, etc. will not be used in the publications listed above.

Thank you.
