Dear Parents Interested in P3 through 8th grade,

Thank you for your interest in St. Paul's Lutheran School. We provide a safe and structured environment where children from age 3 through Grade 8 can learn, make friends, and live as nurturing disciples of Christ in this world and the next. We hope you become a part of our school community.

Re-enrollment begins in November. All currently enrolled families and members of the congregation have priority for available space through January 31, 2017. Immediately following that date, all applications are reviewed on a first-come-first-served basis. **APPLICATIONS FOR NEW ENROLLEES WILL BE RECEIVED AS EARLY AS NOVEMBER 7, 2016.** However, final acceptance cannot be determined until after January 31, 2017. It is to your advantage to get the application in as soon as possible. All applications received before January 31, will be kept in the order received and consideration will be given on a first-come-first-served basis.

OPEN HOUSES will be held on November 7th & 17th, December 5th & 15th, January 12th & 26th, February 13th and March 16th from 9^{AM} to 11^{AM}. During these times, you will be able to observe any class you are interested in and meet with the principal, if you so desire. If it is impossible for you to attend an Open House, you may set up an appointment to visit in the classrooms. Due to the number of applicants, we do ask that you try to make observations during the scheduled Open Houses.

Enclosed you will find an informational brochure, a fee schedule, an application, tuition assistance application Part I, and BASCC (Before and After School Child Care) information (if you need that service). Please note that the \$50 Application fee plus 50% of the non-refundable enrollment fee (*please refer to the 2016/2017 Fee Schedule*) is due with the application. The remaining 50% of the non refundable enrollment fee is due May 1.

Please note, if you enroll in BASCC (Before and After School Child Care) there is an additional non-refundable \$110 application fee and a BASCC application must be completed.
