

ST PAUL'S SCHOOL SPRING FLING 2026

The Hurlingham Club - Thursday 5 March

Spring Fling 2026 will bring together the St Paul's Community to raise funds for St Paul's Founder's Awards bursary programme.

St Paul's School offers a tailored education for highly able boys, regardless of financial circumstances, and bursaries help ensure talented pupils can thrive and go on to make a lasting impact on society, while enhancing the diversity and vibrancy of our school community.

Our committee comes together to organise Spring Fling and we encourage as many parents as possible to get involved.

The Committee

We're seeking reps from every year group to join the fun and social Spring Fling Committee and represent the event on the SPS and SPJ Parents' Groups.

Committee responsibilities include:

- Attending monthly meetings (we're very social!)
- Buying and promoting event table sales (two tables per year)
- Sourcing sponsors
- Sourcing Live and Silent Auction prizes
- Sourcing gifts in kind
- Helping with table decorations
- Helping secure Old Pauline entertainment

The Spring Fling has raised an incredible £1.7million for bursary places at St Paul's. Every year parents from across St Paul's join together for a fabulous evening of fun, fundraising and entertainment.
